AREA SCHOOLS REPORT INCREASE IN ABSENTEEISM DUE TO VIRUS

A rash of virus infections swept through the Campbell area this week and last in wake of a nationwide influenza epidemic.

Dr. W. Elwyn Turner, county Health Officer, said that "flu" is an unreportable disease and that he had no figures available as to the number of cases in Campbell as compared to other communities. A check of area schools, however, revealed a sharper increase in the number of absentees, ranging from approximately 20 percent at Rosemary School to a normal ten percent at San Tomas.

School officials reported that colds, sore throats, mumps and other virus infections kept pupils at home an average of five days. Campbell and surrounding rural areas, according to County Health Officer reported 16 cases of mumps during the week of January 27—the highest in the county.

MOORPARK principal John Duncan reported 103 pupils remained at home Monday of this week out of an enrollment of 645. Normal absentee rate he said was 40-50 a day.

ROSEMARY absentee rate this week and last, according to principal Neal Royer is two and a half to three times the normal rate. He estimated 50-60 pupils remained at home Tuesday as against 35-40 for Thursday and Friday of last week, out of a total enrollment of 425. He attributed high rate to colds, sore throats and in the case of his own son, tonsillitis.

High absentee figure for CAMPBELL GRAMMAR SCHOOL, principal Mrs. Dorothy Royce said, was recorded last Friday with 151 students remaining at home. She reported a slight increase over the normal 10 percent with average length of illness lasting three days. Most of those out last week are back this week, she said. Total enrollment at Campbell Grammar School is 1226.

Ernest Rideout, CYPRESS School principal, reported a seven day total of 314 absentees. Normal rate is 30-40 a day, he said, but this week and last is averaged 40-50. Cypress has 453 pupils enrolled.

SAN TOMAS school, according to Mrs. Louise Karpen, school nurse, has continued to average a normal 65 absentees daily among its 614 pupils. Last week's absentee figure was 111; the week before 107. This week it stood at 112 with 69 pupils absent Monday of this week. Highest single absentee figure was recorded December 5 when 109 remained at home due to illness.

Other area schools including Quito, El Quito Park, John Parker, Hamilton and Moreland report similar increases.

Allen Proposes Annex Procedure Of School Lands

Assembly Bill No. 1, introduced by Assemblyman Bruce Allen of San Jose, which would allow school district boundaries to remain unchanged when portions are annexed by a neighboring city, was the subject of a question and answer period at Campbell High School last Friday.

Allen told county and school district superintendents his bill would alleviate problems such as arose over San Jose's South Willow Glen annexation contiguous to Cambrian Park, Monterey No. 1 and 2, south of San Jose.

Willow Glen No. 10 annexation removed property from Cambrian elementary school district and from Campbell High School district. The Monterey additions removed highly valued industrial lands from county school districts.

The bill is receiving support of San Jose City Council because it would remove an obstacle to annexations, but is opposed by the city school department because it would remove land from its jurisdiction.

Mountain View because of a stipulation in its city charter, already operates under this kind of set-up, part of Whisman school district having been annexed to the city but without becoming part of the city school system.

Allen also explained another bill which would set up an annexation commission, composed of representatives from the board of supervisors and from cities, the county superintendent of schools, county assessor and others, to act as final arbiter on all annexations.

Kenneth Moores In Auto Accident

Mr. and Mrs. K. S. Moore were slightly injured in an automobile accident near San Diego on the morning of January 9th. Mrs. Moore is now at home recuperating from shock and bruises, while Mr. Moore, incapacitated because of torn ligaments of the leg, has remained in Riverside to resume his work as soon as he is able.

The driver of the car, Miss Bernice Robinson of San Francisco, was killed instantly in the one-car accident, which was described by investigating police as caused by "over-control of the car." Miss Robinson was a bookkeeper for H. and H. Homes, the company by which Mr. Moore is employed.

Mrs. Moore had been visiting her husband for a week. She returned to Campbell January 22nd.

KIWANIS HEARS MARTIN S. WALSH

Martin S. Walsh, Campbell attorney, was speaker at the regular meeting Tuesday at the library building, and chose for his subject, "Freedom, Our Sacred Trust." Walsh acted as his own chairman for the meeting.

At next week's meeting the Kiwanis club will host other area civic organizations at the annual inter-club meeting initiated by Kiwanians in 1951.

Merchants Offer Double Stamps In Stores Today

Today is the day they give extra stamps away in downtown Campbell stores. All member merchants of Campbell's Stamp Association have agreed to offer double stamps in this end of the month event.

Housewives with first of the month bills coming due will have a chance to add a little extra to their household larger by making purchases in downtown stamp member stores.

The stamp plan which has been in effect in Campbell for almost a year is, in effect, a bonus to shoppers who patronize local member stores. With every 10 cent purchase, a Campbell Trading Stamp is given which can be pasted in a stamp book furnished by the participating merchant.

Filled books may then be redeemed at any of the member stores for three dollars worth of merchandise. It acts as a three percent discount on all purchases.

Today, however, merchants are giving 20 stamps for every dollar's worth of goods purchased in member stores, amounting to the equivalent of a six percent discount.

Representative shoppers have expressed satisfaction with the plan and say they enjoy the friendly attitude of the merchants in promoting it.

Charles S. Gubser Clarifies Position On Postmasters

Charles S. Gubser, Representative from the 10th Congressional District, today expressed "grave concern" over what he says "appears to be misinterpretation of the manner in which postmaster-ship vacancies will be filled."

"Though it is impossible to judge accurately from my position three thousand miles away, it appears that a great volume of misinformation is being circulated in this area," he said. "In order to set the record straight I believe a clear statement of my position on the matter is in order."

"In the first place" Gubser continued, "appointments to postmaster-ship vacancies are from civil service eligibility lists only. All adult citizens who have resided in the area served by the post office in question for one year or more are eligible to take the civil service examination regardless of political affiliation."

"The names of the persons receiving the three highest grades in the examination will be submitted to me by the Civil Service Commission. I will then be called upon to recommend one of the three names."

"In deciding upon my recommendation it will be necessary for me to contact citizens of the area in question for a fair sampling of public opinion. Included among those contacted will be organized groups and organizations, including the Republican Central Committee."

"It should be emphasized," Gubser went on to say, "that no one group will have the exclusive power of decision. The views of each group will be a part of the overall picture of public opinion which I hope will guide me in making a proper decision."

"I do not believe in political patronage, but believe instead in picking the most qualified man available for an important position. Patronage is not in my opinion the best procedure for picking that man."

"The Democratic Party has been severely criticized, perhaps unduly, for the manner in which they made their postmaster appointments. I now believe that we have the opportunity to show the nation that the Republican Party truly stands for efficiency in government by choosing postmasters on merits rather than party affiliation, and with true regard for an honest interpretation of Civil Service laws."

Gubser continued with, "Announcements of civil service examinations for postmaster-ship positions will be made from time to time from my office. It is hoped that a large number of applicants will be present to take each examination."

Mr. and Mrs. W. J. Raab, are in the process of moving into their new home in Campbell. Mr. Raab is an electrical engineer. Mrs. Raab is a second grade teacher at El Quito Park School.

Aviation Cadet C. Ormer Shockley, son of Mr. and Mrs. C. W. Shockley of Campbell, was among a group of cadets flown to Washington, D. C. to represent the Air Force Cadet Corps in the inaugural parade on January 20.

CITY DRIVE NETS 48 PINTS OF BLOOD

Campbell residents contributed 48 pints of blood to Santa Clara Blood Bank when the American Red Cross mobile unit came to Campbell at the Methodist Church Monday afternoon.

While the amount collected was far short of the 100 pints expected, based on the Campbell area population and its monthly use of blood, it was the highest ever collected in the community, Mrs. Verle Grizzle, drive chairman announced.

Mrs. Grizzle said that 74 persons turned out, of which 26 were rejected for various reasons. The larger turnout, according to Mrs. Grizzle, was due to the extra work of the committee, and the organizational methods, which the Campbell committee and the Red Cross employed.

Discussed At

At the last Moreland-El Quito
Park Schools PTA evening meet-
ing, it was emphasized by Gussie
M. Baker, Superintendent, More-
land School District, that the
forthcoming bond election of Feb.
4th will increase taxes only about
10c more per \$100 of assessed val-
uation. This will mean to most of
the homes in the area, an addition
of approximately \$3.00 per year to
procure additional classrooms at

ly corner thereof; thence
northerly along the westerly
line of the said land conveyed
to Steindorf, being also the
easterly line of the said land
conveyed to the Mayfair Pack-
ing Co. and the present Camp-
bell City Limits line to the
point of beginning.

AND NOTICE IS HEREBY GIV-
EN, that Monday, the 2nd day of

objections to the said proposed an-
nexation, which said protests shall

general terms.

that a copy of this Resolution and
Notice be published once a week
for two successive weeks in the
Campbell Press, a newspaper of
general circulation, published in
said City, and once a week for
two successive weeks in the Los
Gatos Daily Times, a newspaper
of general circulation, published in
the County of Santa Clara, Cal-
ifornia, and that the City Clerk
forthwith mail a written notice of
the proposed annexation to each
person to whom land within the
territory proposed to be annexed
is assessed in the last equalized
county assessment roll available
on the date the proceedings were
initiated, at the address shown on

El Quito Park School to avoid
overcrowding and double sessions.
Fred R. Wise, Moreland assistant
principal and 6th grade teacher
was main speaker at the meeting.
Wise pointed out that children
who had been taught in double
sessions for two years were found
to be in some schools retarded one
year. With those who had double
sessions for four years, the retard-
ation rate was found to be two
years or more.

Wise made many thought-pro-
voking statements about Family-
School Relations—his main topic.
He said that in many areas, possi-
bly including this one, statistics
show that 47% of the 2nd graders
had already been in two or more
schools. This poses for the children
the problem of making new friends
and in many cases, the developing
of behavior patterns more suited to
the new environment.

Another interesting figure, in
view of the forthcoming bond elec-
tion, were those of Mr. Wise's that
today parents spend \$3.00 for
liquor and \$2.00 for cigarettes for
every \$1.00 they spend on their
schools.

Mrs. Arthur Langen, PTA presi-
dent, presided, and introduced the
new secretary, Mrs. Ben W. Mayo.
The former secretary, Mrs. James
Tiffany, had resigned because of
illness in the family. Mrs. Langen
announced that the salvage drive
would commence the first of Feb.
and that all rags must be in by
Feb. 10. This district PTA will hold
a safety council meeting at the
Civic auditorium on Feb. 13. It
will be an all day session with
luncheon at the Hawaiian Gar-
dens. Mrs. Earl Wetterstrom, Safe-
ty Chairman, invited all interested
members to attend, as the recom-
mendations will be sent on to the
state legislature at Sacramento.

Mrs. Langen announced that the
6th district meeting will be Feb.
2 at Gilroy Grange Hall, with
luncheon available at \$1.25. Res-
ervations must be in by Jan. 26.

SCOUT TALK
BY MARK JUDY
INFORMS ROTARY

Mark Judy, Campbell area dis-
trict supervisor, Boy Scouts of
America, guest speaker at Camp-
bell Rotary Club's regular meeting
Monday at IOOF Hall outlined
aims, organizations, and historical
development of the Boy Scout or-
ganization.

Judy gave Rotarians a figura-
tive pat on the back for the in-
terest and backing given to various
scout activities.

While the Scouts as an organiza-
tion did not start in the United
States until 1910, Judy said, the

Moreland Mother-singers are meet-
ing every Monday night at 7:30.
Cookies and coffee are served af-
terwards, and everyone is invited
to attend even if they don't sing,
and participate only in the re-
freshments.

John Mathews and Caswell Neal
engaged in a dialogue about two
parents interested in the Feb. 4
election. This discourse disclosed,
among other things, that the pro-
posed \$175,000 bonded indebted-
ness will bring the district up to
its maximum and thus qualify it
for state aid for building as de-
vised in Proposition 24. George
Robertson, Chairman, Board of
Trustees, Moreland district, em-
phasized again that the cost to the
average taxpayer will be only
about \$3.00 per year.

Mrs. Barbara Niles' third grade
class won the attendance award.
The meeting was preceded by a pot
luck dinner, to which executive
board members brought a hot dish,
and the PTA body provided the
salads, rolls and desserts. Whole
families enjoyed a hearty meal,
and the children attended a movie
during the ensuing business meet-
ing.

Frank Freeman, San Jose news-

speaker at Association of Sojour-

lows Hall in Campbell.

This will be the first meeting
of the new officers, and officials

movement was started in England
after the Boer War by Lord Baden
Powell.

It has grown into a world-wide
youth organization with National,
council and troop levels or organi-
zation to develop leaders, to teach
safety training, encourage an ap-
preciation of outdoor life, and to
foster patriotism among youth,
Judy said.

He said that local troops backed
by local civic organizations are
chartered by national organiza-
tions.

Judy mentioned the coming Na-
tional Jamboree which will take
place in July in southern Califor-
nia. Scouts from all over the
country are looking forward to
their summer camps where camp
lore learned during the winter
months will be put into practice.

ADVENTISTS OPEN SERIES OF LECTURES

The Seventh-day Adventist Church, corner of Fourth and Rincon, had a capacity crowd at its opening series of Bible lectures on "Adventures in Prophecy" Sunday evening, Jan. 25, 1953. "What the Bible teaches about itself" in colored film seemed to be enjoyed by all. Miss Lois Wileman, niece of Mrs. Virginia Rutherford, played many beautiful numbers on the marimba. Mr. Fred Garrett, director of the music, sang, "I'd rather have Jesus".

Evangelist Harold H. Hare promised to present each one who attends the three services for the week a free book; such books as "I love books", "Our wonderful Bible", "Great Fundamentals" and others.

"We will have real bodies in the future life," said Mr. Hare, "even as Christ Jesus had a body after His resurrection." "We will build houses and plant vineyards," Isa. 65:21-23.

The lecture for Sunday night Feb. 1, 1953, will be "Coming, a World Dictator."

Cambrian Plans Improvements

The Cambrian Park Improvement Club will meet February 3rd at 8 p.m. in the Union School Auditorium to discuss the coming election of the organization as well as plans for promoting the welfare of the community. This will be an informative meeting. Letters have been sent by the programming committee of the club to residents of Cambrian Park requesting attendance at the meeting and asking for suggestions in regard to children's safety, playgrounds, social activities, public improvements, athletics, property protection, community beautification and any other interests of the citizenry.

The nominating committee will report at this meeting in preparation for the election meeting which will be held March 3rd. Nominations must be made from the floor, regardless of the committee's report; the committee requests that Cambrian residents consider the needs of the community and speak for themselves. As the committee puts it, "George cannot do it."

Election procedure, by-laws, eligibility to vote and membership are to be considered at this meeting.

Chief Blackmore To Talk To Club

Chief of Police Ray Blackmore of San Jose will address the Cambrian Home and School Club at an evening meeting on February 4th, on "The Problems of Youth Protection in a Growing Community." The meeting will begin at 7:30 and will be held in the Cambrian School cafeteria. The time has been set for the evening so that fathers may attend, and they are urged to do so.

Mrs. Lester Raphael is program chairman for the meeting, and second grade mothers will be hostesses. Mrs. Donald Lantz, president, will preside at the regular business session.

Local Garden Club Sponsors Poster Contest For Trees

In order to further its Kwanzaan Cherry Tree project the Campbell Garden Club is sponsoring a poster contest in the Campbell Grammar school among the pupils of Miss Taylor's seventh grade art classes.

There will be several cash prizes given and the contest will close on February 9.

The posters will be judged by a committee of Garden Club members.

The Club is again stressing the fact that it is trying to beautify the whole community. Schools as far out as Moreland and Union received trees last year.

The public is again advised that now is the time to plant trees and that they may get these trees at a reduced rate through the Tree Committee of the Campbell Garden Club.

Requests for trees may be ordered from Mrs. Fred Smith FR 8-3845, Mrs. Kenneth Bitzer, FR 8-2608, Mrs. Milton Parker, FR 8-2528, Mrs. Robt. Dunn FR 8-3071 and Mrs. Lawrence Barton FR 8-3221.

Legion Ladies Plan Poppy Float

Mrs. Mary Hummel entertained the American Legion Auxiliary, No. 596, at her Kenneth Avenue home Monday evening, at a desert potluck. Mrs. C. M. Clever was co-hostess.

Delicious desserts, coffee and tea were served.

At the business meeting, presided over by Mrs. Herbert Myring, president, it was decided that the Auxiliary will enter a float in the Old Settlers' Day Parade. The float will carry a large cross composed of the traditional red poppies made by disabled veterans and sold each year by the Auxiliary for the benefit of handicapped and needy veterans. Members of the Auxiliary will march in the parade in uniform. The Auxiliary uniform consists of a navy blue dress with the American Legion emblem on the shoulder, a navy blue 'overseas' cap with a blue and gold emblem. The post banner and the American flag will be carried.

Members of the Auxiliary paid their monthly visit to the Palo Alto Veterans' Hospital January 27th.

The next meeting of the group will be held February 11th.

Country Women Plan Birthday Tea

The annual Birthday Tea of the Campbell Country Woman's Club will be held February 2nd at the Country Woman's Clubhouse. A highlight of the program will be a talk by Mrs. Edna Smith, a past president of the organization, in 1933 and 1935, who will review the club's history.

Mrs. Mary Ellen Everton, head of the music department of the Campbell Grammar School, will present vocal selections, accompanied by Mrs. David Sanders. Piano solos will be offered by Sandra Bjerke, eighth grade student at Campbell Grammar School.

Chairman of the tea is Mrs. L. W. Brown, who will be assisted by committee members Mesdames Mervin Willoughby, L. Hanson, W. C. Henley, Earl Gripestraw, Robert Root, Ida C. Price, E. C. Price and K. G. Geiselhart.

Youths Will Lead Church Service

Next Sunday, February 1st, will be Youth Sunday at the Campbell Congregational Church. The complete morning service will be conducted by members of the Pilgrim Fellowship.

Jackie Davis will serve as deacon. Short addresses will be given by Carla Edsinger, Lynne Schaper, Pat Lee Schaper, and Gil Schaper.

Second Graders Visit Big Boy

More than 30 second graders now know all about the grocery business. The members of Mrs. Mary Helen Morse's class at San Tomas School, having written letters to the Big Boy Grocery on Hacienda Avenue, were invited by the proprietors to come in a body to learn about commerce at first hand. With Mrs. Morse the youngsters visited the Big Boy on the morning of January 27th. Not only did the Big Boy staff dispense information; ice cream and cookies were also served to the young callers.

The class was divided into groups to ten, with a chairman for each group, who brought a list of questions prepared previously. Frank Arnaudo explained the stock on the Big Boy shelves to the class, how it is brought to the store and how it is sold, how change is made and how grocers make a living.

Anthony Turturici, proprietor, explained the vegetable business, its seasonal aspects and the rise and fall of prices.

Pat McNally, proprietor of the meat department, explained how meat is bought, cut and sold again. Mrs. Morse told the Big Boy staff that she had asked the class to write essays entitled, "How I Went to the Store for Mother."

most of us save for food. But you'll still see him out for all the games—even if on crutches.

Do come out to catch one of our varsity SCVAL contests, tomorrow night for example. The Bucs face Washington and their toughest competition thus far. The most interesting game Campbell has so far engaged in took place at Mountain View against the most aggressive five this writer has yet seen in a High School Gym. Their Eagles had sharp claws! But Campbell was "on" and in spite of a wild cheering section and a pep band that almost blew us out of their compact, army style field house, we came away with a doubleheader victory.

This year's varsity has a "will to win" that everyone is talking about. You just can't ever count Kelly, Shumway, Burton, Cantoni, or Hansen out. They've come from behind too often and will continue to right up through this year's Feb. 20th "Big Game" here against powerful Fremont.

Tomorrow night's doubleheader starts at 7:30. Come catch some of our spirit.

As everyone knows by now this year's seniors have chosen their spring play and are out to prove that "You Can't Take it With You". There is a lot of enthusiasm already evident—in fact competition for the 19 parts especially for the "Grandpa" Lionel Barrymore many years ago made famous. Scripts are checked out of the library hourly and we should see quite a production of the famous Hart-Kaufman classic of the family that had everything.

Director Ken Wallace is outdoing himself these days. His recent Berlin (Irving not Germany) show was the hit assembly of the year. It had everything—great music (even Irving himself on record with "The Bugler"), dancing girls, and pathetic G. I. Bob Ledum. Again the freshman ballerina stole the show through a trio representing "A Pretty Girl is Like a Melody" was a close second. You too can see this show for it will be part of Campbell's Settler's Day program, Monday, January 23rd.

Perhaps this week's main corridor display case is the most effective school display of the year. It's a final tribute to our championship 1952 football varsity.

Hope to see you at the dedication dinner to be held in the Girls'

Gym on Wednesday night, February 4th. It'll be another chance for you to tour our new classrooms as well as hear Chancellor Kerr of the U. of California, the Campbell String Trio, the Kiwanis quartet, and several fine vocal and instrumental solos. Come for a meal and stay for an evening that we hope will better "The Community and the School."

Miss Carson's new stamp club ("The Philo Hardy Philatelists") is already a success. Meeting twice a month on Tuesdays they trade buy, and sell "like crazy" according to Arthur Downing who claims that these mad men muntz's of the stamp market stand for no clowning.

Eta Phi's Hi Y's are already looking forward to the next vacation for come Easter comes their sensational snow trip.

Some of the nicest and hardest working kids around school are the C. S. F's (known as the brainbuster because of their high grade point averages). You should attend one of their meetings if you want to hear polysyllable words bandied about. They can't even discuss their coming up February 2nd skating party in monosyllables!

Congratulations are in order for recently elected Student Body Officers: Vice President Bob Yamashita, Secretary Dick Takaha, and Student Manager Alice Jones. At a future assembly these new Buccan-

err executives will be installed and begin their new responsibilities.

Between February 5th and 16th Campbell High School's juniors will be working on the annual magazine sale. They're out to sell a lot of SATURDAY EVENING POSTS and LADIES HOME JOURNALS and top last year's junior class record of 16% intake per person. All juniors in school will contact possible purchasers on their own and bookkeeping will take place in their English classes. Class officers spearheading the drive are Larry Sutton, Russ Camilleri, Joan Oser, and Ken Beth. There will be scores of prizes for winning salesmen and the classes of winning salesmen. These magazine marketers won't be working their way through college but working for their high school. If you're considering adding more reading matter to your home won't you give these juniors a break?

One last note on Spring. Soon 'twill be warm enough for the fellows to resume outdoor swim practice. The 1953 squad coached by Messrs. Gugat and Peabody will soon be out after school nights preparing themselves to better last year's record when Campbell took an SCVAL second. The call is out for more fellows than ever to come out and "get into the swim of things."

"If you don't get everything you want, think of the things you don't get that you don't want."

You judge a man not by his blocks of stocks,
Nor his power of name or pen;
You judge a man by the place he's made
In the hearts of his fellow men.
You judge him more by the fight he's made
By the way he has faced the strife,
And not the amount of the bank account
He's managed to get in life.

A choice selection to remind us of the better things of life.
